

Oral B recycling

GET STARTED

Recycle oral care waste, including spent toothbrushes, floss containers and toothpaste tubes. Click onto the Oral B link below to get started;

Go to <https://oralb.com/en-us/recycling/>

Participating in the **Recycle On Us** program is free and easy.

COLLECT: Gather all your used oral care waste, including spent toothbrushes, floss containers and toothpaste tubes and pack them into any size box.

PRINT: When the box is full, seal it up and download a free shipping label from the website.

MAIL: Ship the sealed box with shipping label attached to our processing facility for recycling.

Your personal information will be submitted to The Eco Option in order to receive your recycling shipping label. Your personal information will be managed according to The Eco Option's privacy policy. If you have questions, please contact The Eco Option at privacy@ecooption.com or 1-800-865-1543.
